

Cozumel Island will seduce you! The island is known worldwide for practicing diving and snorkeling, as well as for their colorful fish and dolphins.

In Cozumel you can admire the second largest coral reef in the world! This is the perfect place to practice snorkeling; it is more than 70 meters deep and as you dive, there is enough light to see the Great Wall Reef. You can do all kinds of sports especially water sports. Cozumel is full of virgin forest which is protected and is home to a large variety of fauna and flora. Cozumel was the House of the Maya Goddess of Fertility. In addition there are several ruins of the Mayan Empire, where you can admire this beautiful civilization and the famous Chankanaab Park where you can swim with the dolphins and enjoy the banks of colorful fish.

Local people are very friendly, so you will feel comfortable, it is a very colorful village, the jungle and mangroves on the island are also beautiful, in Cozumel you will find restaurants and world class hotels, where you will have an unforgettable experience. You can go to Cozumel directly from Playa del Carmen, by boat, plane or helicopter.
