

The great Port of Tulum is famous for its marvelous ruins. This was an important Mayan City and is now the most important archaeological City located in the Caribbean Ocean.

You can make a day trip and visit the ruins of Tulum in about 3 hours. Tulum also offers night tours to enjoy this magical journey.

Tulum is surrounded by paradise beaches where you can go alone or spend a romantic moment. In Tulum all beaches are public, but some are Resorts and water parks where you can enter to be able to go to the beach.

Tulum is a Mayan city that is frozen in time! In Tulum you can enjoy a perfect sunrise, where you will be able to see how the sky melts with the turquoise sea! It has amazing vegetation and you can do all kinds of water sports and diving. There are many restaurants in downtown Tulum, as well as, shops and mini-markets. Xel-Ha, which is a famous water park, is also very close. There you can practice snorkeling, biking, swimming with dolphins or simply diving into a sacred cenote. Remember that in the Riviera Maya you will find all kinds of hotels rated five stars as well as hostels.
